

SM6-G

On wall speaker grey, 6 watts 100
volt

The SM6 is a functional on-wall cabinet loudspeaker. It offers an excellent sound quality and a no-frills design with a ABS plastic housing and metal grill that is functional and yet instantly recognizable as 'Apart'.

This speaker is ideal for professional use of background music and paging in public buildings, schools, parking garages, supermarkets,... Even in situations where the budget is vital, Apart puts you in pole position! The quick-fit cable clamps allow quick and easy installation that saves you time and money.
