0.27"
(6.8 mm)

3.66"
(93 mm)

2.72"
(69.1 mm)

9.63"
(244.6 mm)

**SURFACE
CUT-OUT
AREA**

6.65"
(168.9 mm)

**Page size: 11" x 17"
Print scale 1:1
Do not shrink.**

1. Confirm the product to be installed.
2. Before printing, check the print settings and make sure the page is not scaled.
3. After printing, measure the cut-out area (gray) and ensure it matches the dimensions shown on this template.
4. Remove the surface cut-out area from the template. (Keep these instructions.)
5. Use this template to mount the TLP Pro 1225MG. For complete instructions, see the product Setup Guide or User Guide.
