

Taking the Office Outside

Unified Communications Speakerphone

YVC-200

YVC-200

YVC-200 is a portable USB + Bluetooth® speakerphone that enables natural and reliable remote communication no matter where you work. Bring it in your bag and take the office outside!

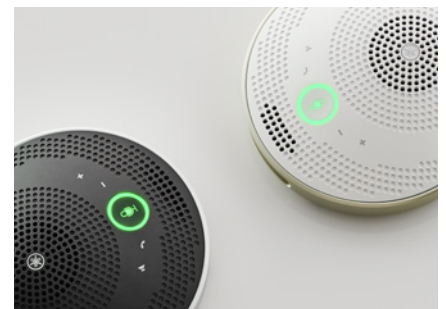

Boost productivity with exceptional remote conversation

- Yamaha's professional quality DSPs with super wideband audio for ample, clear sound
- Intelligent microphones with 360° coverage distinguishes the human voice over noise
- Optimizing the sound environment automatically no matter what the environment

Collaborate freely anytime, anywhere

- Smart and simple connection with multiple devices, OSs and conference applications
- Complete portability by USB power or up to 10 hours with the rechargeable battery
- User friendly touch sensor button for connecting and collaborating easily

As flexible as you are

- Stylish design with choice of white/black colors blend into any home or office décor
- Headset plug for protecting private discussion
- Listen to music between calls for collaboration
